3-4 DECEMBER 2025 | INDIA HABITAT CENTRE | NEW DELHI | INDIA

## POLICY & LEADERSHIP TRACK – JACARANDA HALL (MAIN HALL)

### India's Biogas Decade – From Vision to Global Leadership

To make India a global hub for biogas innovation, investment, and business models – transforming waste to wealth, scaling biogas/biomethane production, strengthening policy, regulatory, standards, and related infrastructure ecosystem, and positioning biogas as a central pillar of India's energy security, transition to clean energy, waste management, and circular economy strategy.

#### DAY 1 – Wednesday – 3 December 2025

Time	Session Details
08:00 – 09:00	<b>Registration</b>
09:00 – 10:00 <b>Inaugural Plenary Session</b>	<b>Fueling India's Biogas Decade</b> <b>Session Theme:</b> India as a global leader in climate solutions / Biogas as a key driver for energy security, clean energy, waste management, and circular economy <b>Focus &amp; Objectives:</b> Sets the tone for India's biogas decade, outlining its role in achieving net-zero while promoting energy security, energy transition, waste management, circular economy and building global partnerships and alliances.
10.00 -1030	<b>Coffee Break - Networking</b>
10:30 – 11:30 <b>Session 1</b>	<b>Delivering on India's Biogas Vision – Making Biogas Happen Programme</b>  <b>Session Theme:</b> Innovative Programmes & Policies, National Blending Targets, National Gas Grid, and Distributed Supply Chain <b>Focus &amp; Objectives:</b> Aligning policy and regulatory frameworks, standards, and certification with market mechanisms to create a high performing, sustainable, and scalable CBG industry ecosystem in India.

11:30 – 12:30 <b>Session 2</b>	<b>India's Leadership in delivering on the Global Biogas Agenda</b>  <b>Session Theme:</b> India's ambitious biogas targets, leadership in the Global Biofuels Alliance (GBA) and contributing to Net Zero and Energy Security (COP 30 outcomes)  <b>Focus &amp; Objectives:</b> Showcasing India's ambitions and strategies to lead biogas agenda globally, contributing to GBA, promoting biogas as part of Net Zero strategies, energy security, and linking with the COP 30 Outcomes
12:30 – 13:00 <b>Fireside chat 1 CEOs Session</b>	<b>CEO &amp; Investors Dialogue</b> <b>Focus &amp; Objectives:</b> Dialogue on journey towards 5000 CBG Plants by 2030
13.00 – 14.00	<b>Lunch – Networking</b>
14:00 – 15:00 <b>Session 3</b>	<b>Cities Driving the CBG Revolution</b>  <b>Session Theme:</b> Urban MSW, STP sludge, and wastewater integration / Scaling state-level pipelines and investor-ready projects  <b>Focus &amp; Objectives:</b> Highlighting how cities are enabling localized waste management and clean energy ecosystems, attracting investments, and promoting public private partnerships
15:00 – 16:00 <b>Session 4</b>	<b>State and Sectoral Action Plans, Policies, &amp; Standards</b>  <b>Session Theme:</b> Accelerating integration of state and sectoral action plans, policies, and standards  <b>Focus &amp; Objectives:</b> Discussing how state level biogas action plans can facilitate adoption of key elements of ADCS International, unlock investments, promote sustainable supply chains, and create robust biogas markets at the state level.
16.00 – 16.30	<b>Coffee Break - Networking</b>
16:30 – 17:30 <b>Session 5</b>	<b>Carbon Markets – Innovation and Integration</b>  <b>Session Theme:</b> Carbon credits, financing and markets, national registry, blockchain, monitoring and verification  <b>Focus &amp; Objectives:</b> Exploring how digital and innovative technologies, harmonised policies, LCA, and MRV ecosystem can monetize and integrate biogas/biomethane credits into growing carbon markets in India
19:00 – 21:30	<b>Networking Dinner (by invitation)</b>

CONGRESS 2025

3-4 DECEMBER 2025 | INDIA HABITAT CENTRE | NEW DELHI | INDIA

**Day 2 – Thursday, 4 December 2025**  
**Policy Track – Jacaranda Hall**

Time	Session Details
09:00 – 09:30	<b>Welcome Remarks and Setting the Scene (WBA)</b> <b>Keynote Address by an Invited Speaker</b>
09:30 – 10:30 <b>Session 6</b>	<b>Biogas Beyond Borders: Global Dialogue</b>  <b>Session Theme:</b> Experiences from Europe, North America, Brazil, China, Indonesia, Singapore, South Africa on technology transfer, investments, and explore North – South and South- South cooperation models  <b>Focus &amp; Objectives:</b> Learning from other developed and emerging economies to accelerate biogas deployment nationally and worldwide, and integration with international methane reduction initiatives and national level climate goals
10.30 – 11.00	<b>Coffee Break – Networking</b>
11.00 – 12.00 <b>Session 7</b>	<b>Small and Medium Scale Biogas Plants – Challenges and Opportunities</b>  <b>Session Theme:</b> Small and Medium Scale Biogas Plants for Clean Energy, Waste Management, biofertilizer, and Circular Economy  <b>Focus &amp; Objectives:</b> Discussing the potential of Small and Medium Scale Biogas Plants for promoting energy transition, clean cooking, food security, and waste management in urban / rural / off farm areas
12:00 – 13:00 <b>Session 8</b>	<b>Biogas for Decarbonizing Maritime, Aviation, and Transport Sectors</b>  <b>Session Theme:</b> Biomethane as a marine fuel / Biogas-derived SAF/Transport (buses) fuel

	<p><b>Focus &amp; Objectives:</b> Exploring biogas potential for decarbonising Maritime, Aviation, and Transport sectors.</p>
13.00 – 14.00	<p><b>Lunch – Networking</b></p>
14:00 – 15:00 Session 9	<p><b>Unlocking Private Financing for India’s Vibrant Biogas Sector</b></p> <p><b>Session Theme:</b> Role of DFIs, Private Investors, and Insurance Companies in the CBG Sector</p> <p><b>Focus &amp; Objectives:</b> Unlocking capital for financing India's biogas industry through private equity, blended finance, guarantees, and de-risking.</p>
15:00 – 15:45 Session 10	<p><b>Catalyzing Industrial Organic Waste for CBG: Policy, Standards &amp; Scale-Up</b></p> <p><b>Session Theme:</b> Transforming Sugar, Beverages, and Distilleries Waste into Green Energy Solutions.</p> <p><b>Focus &amp; Objectives:</b> Highlight the policy interventions needed to integrate industrial organic waste streams and showcasing successful models and partnerships for CBG production.</p>
15:45 – 16:15	<p><b>Coffee Break – Networking</b></p>
16:15 – 17:00 Session 11	<p><b>India’s Biogas Accelerator: from Pilots Plants to Transformative Industrial Scale</b></p> <p><b>Session Theme:</b> Scaling India’s biogas accelerator ecosystem for achieving climate goals, energy security, clean energy, waste management, environmental conservation, and social and economic benefits including women empowerment and jobs creation</p> <p><b>Focus &amp; Objectives:</b> Discuss opportunities and challenges involved in scaling India’s biogas policy, regulatory, and infrastructure ecosystem with robust national grids, decentralized off takers, blending targets, supply chains, circular-economy models, and women empowerment.</p>
17.00 – 17:30 Closing Plenary Session	<p><b>Concluding Remarks</b></p> <p><b>Session Theme:</b> Final outcomes and the way forward</p> <p><b>Focus &amp; Objectives:</b> Presentation of final outcomes and the key recommendations</p> <p><b>Thankyou remarks</b></p>
